“ *Our deepest sympathy to Bill and the family. We loved Dear Scootie very much and truly enjoyed every minute we were lucky to be in her company. Through the years she always welcome us with open arms and love to her home and made us feel at home. Even our dogs were welcome. I know dear Scootie is at rest with no pain, my heart is heavy for Bill and his family, no one can take her place. May you find peace in knowing you now have a special Guardian Angel to watch over all of you. I have to smile when I think of her meeting with my parents and Aunty and Uncle Bill ,they will talk for hours. They know all the answers now. God Bless each of you, we send our love and will see you in Savannah,*
