

Scott R Ross

April 30, 1975 - April 27, 2026

Celebrating the beautiful life of Scott C. Ross was born in Fairbanks, Alaska on April 30, 1975. He is survived by his father, Thomas S Ross; his brother, Donald Ross; his sister-in-law, Susan Ross; and his life partner, Silvia Aguirre.

Scott was a graduate of Robert Morris University with a degree in Bachelor of Business Administration Management. This allowed him to pursue a career path that explored his passion for food and cooking. He switched to a sales career, helping kids improve in math, language, and writing skills through learning systems. He thought of his clients as his friends and his coworkers as family. His devotion to making a success of his own as well as his company was a great attribute that he was proud.

Scott leaves so many voids in our hearts. He was generous and always ready to lend a hand, often exceeding what others anticipated from him. A person who took you as his friend at first sight, and once he knew you, you were family. He loves deeply, and when he loved, he truly loved. His passion for boating, music, sports, and having a good time was contagious. His laughter embraced you, and you knew he loved making people happy and laugh with him.

His love for his dogs, whom he thought of and treated as his children. They included Kaya, Marley, Sophie, and left Onyx and Bella in the care of his life

partner.

A wonderful life, an exceptional man, a devoted son, an admirable brother, a loving partner, and a cherished friend will forever be remembered and missed, living on in the memories we treasure close to our hearts. Until then, when we see you again.
