“ *I will remember the fun times at the home of Oblaczynski family. The door was always open and you never left hungry. You will be greatly missed but you are with your lovely wife now. Awesome people and a second home to me while growing up. Love to you and the whole family.*

“ I remember fondly the early years when your family helped my family move to Florida, building my grandparents house, and our suffering (physically) through St. Claire's. May God bless your family in your need.
