“ My sincerest condolences on the passing of Stephanie. I'll always remember Stephanie for her quiet kindness and compassion for others as well as her charm and sense of humor. I missed you, Steph, since you had retired from the LKE family and moved away. But I knew that you would be happy because you left with the love of your life and knight in shining armor, Jack Black.

God needed you to come home and light his house up with your smile. May God bless you and watch over Jack and the rest of the family.

Sincerely,

Marge Romero
