“ *Many years ago I had the honor of playing baseball with Steve. He was definitely one of the most talented players on the team, as well as a great teammate. A never ending work ethic and positive attitude were trademarks of Steve.*

“ *Steve and I dated on and off for a few years. Even though our relationship as boyfriend and girlfriend was not to be; he was a truly devoted friend to me and especially my son Joshua Cuthbert. He was by far my best dance partner and coach for my son during his baseball days. He would unconditionally lend me his shoulder during trying times. I thank you for everything you have done for me and my son. With tears in my eyes you will forever have a special place in my heart. RIP my true friend!*
