“ *Sue was a very dear friend to me, I cleaned for her for many years until my health wouldn't allow me to go up & down the stairs. Sue helped me out so many times, I told her she is just like a mother to me, i told her i lost my mother at young age, when i told her that she was like my mom she said its okay to say that. to me she was the best friend any one could ever want. I loved her so much, when her daughter sent me an e-mail telling me about her passing it took my breath away, all i could do was cry for hours. she will always be in my heart, and will forever be missed, God bless her now she is in the hands of the lord, God got a wonderful Angel, love and will miss you Sue.*
