“ My name is Brooke I had the opportunity to have miss Sproat as my kindergarten teacher back in 2007 when I was 5. I am 22 now and still find myself thinking about this wonderful women I had as a teacher. From teaching me how to say parent pick up correctly (I used to call it hicup for some reason??) too letting me sit in your classroom for afterschool because I would have a meltdown being with the other kids. I will never forget you were the one to teach me how to tie my shoes. I think my most memorable memory is making a Christmas wreathe together I was so proud of how it turned out. I just wanted to say thank you for being so kind. You taught me to treat people how I would want to be treated. I remember wanting to be just like you when I was older.
I hope you rest in peace 🕊️❤️

“ Suzanne and I went through the college of education at FGCU and graduated together. Before Suzanne and I got to know eachother, I remember thinking how sweet she seemed and how pretty she was. Once we became friends she proved to be just that. Suzanne was always positive, kind, funny, and so beautiful. Sawyer is so blessed to call Suzanne her mother. I pray for Suzanne's husband, daughter, and their families.

“ My daughter Peyton had the pleasure of being in Miss Sproat's kindergarten class while she was at Cape Elementary three years ago. Suzanne made such an impact on my daughter and was always so kind, nurturing, and patient with the small children. My daughter always said she would love to be in her class again if Miss Sproat ever returned to the Cape because she was such a nice lady. Suzanne was a beautiful person inside and out. God bless you and your family during this painful time. The Heltons

“ My deepest sympathies to the family. Mrs. Sprout was my child's first grade teacher last year and he had the biggest crush on her...he has never forgot her and to this day has always looked up to her with the impact she made on his life. Tonight we will be lighting a candle in her memory.

“ What a wonderful gift to have a child and then such a sacrifice to leave that child behind to be with God.

My thoughts and prayers are with her young children and her family. May they always be reminded that she is now and forever will be their Guardian Angel "Mommy".

“ Suzanne was my daughter Samantha Correia's 2nd grade teacher last year at Tanglewood Elementary, and Samantha was VERY fond of her and was sad to see her move to Ft. Lauderdale. Ms. Sproat gave Samantha her contact information to keep in touch with her. A couple of days before we heard the passing of Suzanne, Samantha asked to call her because she REALLY missed her and loved her and wanted to thank her for being such a nice teacher to her. Suzanne always illuminated like an angel and now will be doing just that from above, God bless the family and baby Sawyer, may the beautiful memories of Suzanne forever live on. And thank you Ms. Sproat for being such a positive influence in my Samantha's life, she will NEVER forget you!
