“ *We were so sorry to hear of Terri's passing. She was a light in this world that will not extinguish in our hearts.
The first I met Terri was at her wedding where she just glowed with happiness. Jim and I, along with a few others were invited on Tom and Terri's honeymoon, a total shock.
On Green Turtle Cay, Tom and Terri played host and hostess to our utter enjoyment.
What fun we all had at Miss Emily's Blue Bee Bar and raising Caine on the water in a rented Whaler.
We always enjoyed the fun filled spirit that she was along with her never ending smile.
Never to be forgotten.

“ It is very sad to hear of Terri's passing. Even though I have not seen her in many years, I have very fond memories of my Aunt Terri. She was always very fun to be around and always had a smile on her face. My thoughts and prayers are with her family.

“ Terri was first my boss, then my peer. I spent most of my day hours with Terri the past couple of years, and she became my dear friend. Now she will always remain a special memory and always be in my heart. She was the smart one- and I would make her laugh as she compiled all that data. In hindsight, Terri represented everything that Jupiter Medical Center stands for in the Jupiter Community. Her commitment was unwavering. She was genuine, kind, soft-spoken and always there for whoever needed her. Her passion was her son Tyler- she spoke of him all the time with a big smile on her face. He was her pride and joy. I know now Terri was an exceptional Mom- because Tyler is one of a kind. His heart is big and his emotions real. They have a bond that transcends time here. God Bless Terri and her family. I know she is smiling now and happy to be reunited with her husband. I will miss you TW!
