“ *I met Thelma and the family when I moved to Hawaii with my parents and siblings. We arrived by cruiseship, the Lurline, and Larry, Thelma and family were there to meet us. Throughout the 3 years we were there I visited their home and Thelma was always such a kind and loving person. You could always see how much she loved all their children. I know she is happy to be with her husband and family that went to Heaven before her. May she rest in peace knowing she was loved by so many.*

“ *Miss Thelma was such a representation of Christ's love. Her heart was full of joy, love, and care for others. I remember when I was going through a rough patch in my life and she so lovingly opened her home to me to stay in her spare room. She was the epitome of a godly woman. Christ's presence in her life was evident on a daily basis. Her love for her Lord was such an inspiration and encouragement. She was a prayer warrior too. We used to sit and pray together in the evening when I was a guest in her home. She definitely had a sense of humor as well. One of the things I loved about her, she could make you laugh for sure. Miss Thelma, you will be so lovingly missed and I look forward to that day when I will see you again on the other side of glory in that beautiful place called Heaven!!*

“ Even though she was nervous around horses, she was willing to overcome that fear to spend time with me and one of my horses. So many great memories with such an amazing woman.
