“ To the entire Vagell family I wish to express my heartfelt condolences. I worked for PPS (Lombard, IL) from 1976-1987 and can credit Ted for a great part of my success in business and in my personal life. Ted was instrumental in leading so many of us employees to become better salespeople, managers, and owners. Ted cared about us, our families, and our well-being as no other person I know of. He was a great man and will be sorely missed. Joe Garbarski

“ Joan, When I look back on my years in business with my friends Ted, Dennis and Kenny, I have so many fond memories. Including the sumptuous meals you so lovingly prepared for me. I always regretted that Ted and I drifted apart in our later years but life sometimes veers in directions not of our choosing. We all have different perceptions and views of death. My view is that the body or shell outlives its usefulness but loving memories have no end. I know you and your family as well as many of Ted's friends will remember the many past moments depicting Ted's uniqueness and loving qualities. We will make a donation to our local Hospice chapter in Ted's memory. By the way, my wife, Bonita, is a Hospice Chaplain and has been involved with hospice for over 25 years. Please let me know if there is any thing you need besides my sincerest best wishes. David
