“ *Dearest Mary, Kim and Curt, When I heard the news, I was incredibly saddened and heartbroken. We never really think that those so near and dear to us will really pass, so I know this is especially hard on you. I know exactly what you are all going through. I know your family and friends are by your side during this difficult time. Russ and I are only sorry we can't be there to give you help and support but we are only a phone call away. Know you are all in our hearts and prayers now and always. Marci and Russ*
