“ *Tom and I worked together in Maintenance Control, HC-7 Det Cubi, 68-69.*

*I thought of him as a good friend; he always had an uplifting spirit. Even though we lost track of each other after the Navy, we remained Brothers. Two years ago it was a thrill to reconnect with him. We exchanged email and photos, but we're unable to hook up at reunion. I guess it wasn't meant to be. My thoughts and prayers are With Tom and his family.
RIP. Tom Oddi...*

“ Tom and I worked together in the Phillipines. We fished, played golf, and in general had a great time together. Tom liked to keep up with sporting news and the Horses. We made bets on upcoming races and once I picked a winner and amazed him on how a country boy from NC could know anything about the Horses. Often we would go the club on base and play slots and have dinner. Occassionaly, we would pitch quarters on the steps in front of the Club to see who would buy dinner. Oh! did we enjoy our leasiure time. I left the Phillipines in May of 1970 and lost contact with Tom and other friends of that era. It is sad that he has passed at a young age and also a thrill to remember him and know that he had a beautiful family and life. My sincere best wishes for his family. If you are ever in NC I would love to meet you personally. Sincerely, Frank Duckworth, Master Chief USN Retired

“ Linda I don't know you but Tommie and i go back also from the Geneva days. We had some great times together, ((was with David Ferugia) and years have gone by since I have seen "Oddi" but I smile when I think of him and the times we all had as friends.

“ *I was so surprised to learn of Tommy's passing. I knew him from the Sterling House where he would come to visit his Uncle Hank and Aunt Hilde. I always looked forward to him coming in because he always joked with us (tried always to save a buck :) He was a good person who looked after Hank's situation very diligently! I am so sorry for your loss. There is a special place in heaven for that man - you are so lucky to have had him!*

This is a little late. Not because I didn't want to contribute but I was shocked at the sad news. Tom and I go way back. We were very good friends along with many more. Tom was loved by all. Very nice too everyone. We were all saddened by his passing. Tom and I traveled to Florida when we both were young. Many stories. Was a wonderful friend. I met Linda and Randy and have lost all connections to them. I talked to Tom a few weeks before his passing. Never told me. Loved Tom think of him a lot. Bless Linda and Randy he will never be replaced. So sorry Linda for his passing. Paul
