“ *Can't believe it is over 20 years since I worked with Tom at P&WA. From the messages it seems he has continued in his work of helping people.*

He will be in my prayers--not that he needs them but for him the remember us.

“ *Mr. Cullen, you were like a father figure and mentor to be. I can't thank you enough for all that you have done and the many lives you have inspired. You will always have a place in my heart. This is still very surreal to me.*

“ tom,ginny and i thank you, from the bottom of our hearts, for the positive influence you had on our son garrett in the young marines program. he grew up to be a responsible young man and served proudly, for four years in the marine corps. we believe that you played a significant role in the direction of his life, as well as that of many other young boys and girls who went through the program. garrett said you were firm but fair. we couldn't agree more. the young marine years were fun and we will not forget them or your leadership. we also appreciate your visits to my office, after young marine times, to check on our two marine sons. you will truly be missed. semper fi and God speed!norma,God bless you and tom's soul. mark & ginny shirey

“ Tom, I cannot express all the gratitude to you for all the years you gave to so many young girls and boys. Included is my son Jeff who you treated like a son. You were such an inspiration and provided guidance to ensure that everyone of the lives you touched would stay on a straight path. I remember you tell me about a young man whose life you touched and you showing up for his court hearings. I remember you always staying connected with all of us and asking "how is _____?" You were caring, strong and always treated the young ones with respect knowing that they would some day be young men and women. MY son is now 27 and you have insittled in him many of the values from the Marine Corp, Young Marines and from you. You will surely be missed. Just know that you impacted so many lives for good. Semper Fi....you will be greatly missed.

“ Tom,
You gave so freely and unselfishly of your time to the Young Marines. Instilling values such as respect for our nation our flag and each other as well as discipline, honor and commitment to whatever task they were doing. But you always made sure they had fun as well. I remember you saying on multiple occasions "remember they're kids". You live on in the hearts and minds of the many boys and girls who are now young men and women whose lives you helped to shape.
