“ *Tom Doolittle was truly one of the most extraordinary individuals we had the privilege of knowing. His perpetual smile, robust laugh, unwavering positive attitude and constant jokes were a daily inspiration to me.....an inspiration I intend to live...in his honor and my mental health. “ *Tom was as generous and loyal as a friend could ever be. There wasn't a moment over the last 55 years than we didn't enjoy with Tom (and Jinny), a perfect couple, a match made in heaven. Knowing Tom was to love Tom, his intellect, his sense of humor, and his dedication to and love for his wonderful family. There will never be another like Tom Doolittke. We was one-of-a-kind. We were honored to be included among his very large cast of friends. Bob and Adele*

“ Dear Ginny and Family,

*This planet has lost a true gentleman who will be sorely missed by friends like us. Tom was true to his heart and didn't pull any punches--a real straight shooter. Above all, Tom loved you Ginny and your beautiful family, whom we were privileged to meet at your 50th anniversary reception. He has left quite a legacy that will go on and on.*

*Please know that you all will be in our thoughts and prayers during this time of sorrow.*

*With deepest sympathy,
