“ Dear Patty and family, our deepest sympathies from our family to yours. You know how much I loved Tommy Wade since we met on the USS Nantahala in 1968. I had the great honor to meet his dear Mother and Father and family. We shared so many memories together then and the present. Everyone that came in contact with Wade became his friend. There is nothing that he would not do for me and the same for him. He was so much fun to be around and was full of energy. His presence will be truly missed but his spirt and his memories will live in our hearts and souls for ever. I salute you my Dear brother Wade with Meatloaf playing in the background enjoying a cold brew. Rest in peace my dear brother. We all miss you.
