My new friend left us way too soon he was above the top shelf and his laugh will be sorely missed! Rip and know that you will be missed each and every day Amstel stock must be going down as he was Amstel loyal or royal

Thomas was a solid soul and one of my dearest friends. I met him in May of 1980 in Sikorsky and our friendship took off and never turned back...45 years strong! We've been through a hell of a lot together... his passing is going to continue to sting for many years to come. He is a DEAR friend and will ALWAYS be missed. His friendship was truly special.
