“ *Tom will be sorely missed. He was one of a kind with a huge heart and joyful personality to match. We shared a unique bond; our grandchildren but our relationship went well beyond. We will miss his stories (some will never be repeated). We love you Tom and will cherish your memory.

“ Uncle Tom was the most generous man you could ever meet. He worshipped his family and put family first no matter what. He had so much life in him and lived his life to the fullest! He will be missed greatly and thought of often. He was one of a kind and we will continue to keep his memory alive. We love you Uncle Tom!! We will continue to celebrate your life and I know you would be so happy next week seeing us all together.
