“ *I enjoyed the years I worked with Tom at St Jude music ministry. He was soft spoken kind happy intelligent. The kids would ask him to play Charlie Browns Christmas theme song, which he did quite well with a smile on his face. We also had the pleasure of singing in the Bel canto singers together. My heart goes out to his 4 daughters who will miss their Dad very much. Love and prayers, may perpetual light shine upon you.

“ The first time I met Tom was turning around to introduce myself in home room in 6th grade. I still remember it vividly. There’s no way to sum up a friendship of nearly 50 years with an anecdote but I can say that he was like family to me and lifelong friendships are rare and special, just as he was extraordinarily rare and special himself. We were supposed to see each other next week and we’re delighting in making fun plans. I feel blessed to have had him in my life.

“ *Tom and I were the youngest of 19 cousins. This fact bonded us and became a fun conversation piece whenever we were together. I have fond memories of when we were young when our families would get together in NY and then later as we were grown with our own families in FL. ~Beth Conti*
