“ *I can't believe you're gone. You were always fair with me and when I went to the SB parties, you were the first one to put an arm around me and make me feel at home. You were always fun and full of life and had this spunk about you and sometimes outright crazy and created memories that will last a lifetime. You were also such a great mother and it's devastating that you won't be here for your boys but I know you will be looking down on them with your spirit. Good-bye Thuy, and I raise my glass of wine to a wonderful woman that loved and cherished life.*

“ Goodbye sweet friend. The first time I met you I was treated as family. You loved and will be loved and missed by many people. You were generous, loving, giving, and hospitable. You would make me laugh when I didn't want to. I wish that we could have spent more time together but the time spent with you I will cherish. Good night.

“ Thuy’s passing is very difficult for many of us to process. I’ve known and worked with Thuy for 13 years. Thuy was keenly insightful. She embraced both opportunities and challenges, immersed herself in her chosen pursuits (professionally and personally), and conveyed a unique expression of care and respect for others. She will be sorely missed at so many levels. For Tom, George, Peter and the family; our deepest condolences to you. Tom: we’ll see you and the boys at the shop. We’re here for you for whatever you may need....
Best wishes, John L.

“ *Thuy, this so hard to comprehend. You were the most selfless person i have ever met. You had the biggest heart to everyone who came into your life. You were a great wife, beautiful mother and a true friend. I will always treasure the beautiful memories we have shared through the years. You always made me see the brighter side when my day was cloudy. I feel truly blessed for the friendship we shared. Though you have left this world, your spirit lives on in the stories we tell and the love we continue to share. Rest in peace my sweet friend. Love ya girly...*
