“ *Dear Treva,  
You will be missed more than words can say. The memories I have of our long friendship are treasures I will cherish forever. Bob, I am so sorry you are alone. I know you will miss Treva more than any of us. Try to find comfort in knowing she is with Jesus and is not hurting anymore. Hugs and prayers for your peace at this time of grief. Love to you and the family, Minette and George and our family.*

“ Treva was a wonderful and Godly lady. My parents Don & Anna Stakemiller were great friends with her and her husband, Bob. As they were young married couples in a wonderful church family at Central Baptist Church in Downtown Miami, Florida from 1954 to 1962 when we moved to Phoenix, Arizona for my dad's health. Then visited Miami annually for summer vacations. I can remember as a young child going boating and water skiing with them. I am sure that there was a great reunion in heaven when she joined my parents in heaven along with all their close friends who have gone on before her like Snookie and Bob Wallace. Praise God she is no longer in pain as she is with our Lord and Savior, Jesus Christ.

“ Many years have passed since seeing Treva, but we cannot forget all the sweet times we had together in Miami. Her smile and infectious laugh are happily remembered. Jimmy's mother, Jane Carter, and Treva were always up to some-thing and their laughter when they were together could be heard around the block. The world will miss her but now she is free from sickness and is celebrating with Jesus. How glorious that must be!
