“ *I am so saddened to have learned of Val's passing. I was close to Val during our Chateau Knoll days in Iowa and had lost contact with my friends when I moved to Florida. I had no idea she was here also! I regret that I was unable to locate her prior to this! She was such an amazing woman and friend!*

“ *Heather, I am not sure if you remember me but I remember you and your Mother very well. We knew you from Phyllis Thatcher's Dance studio growing up. My Mom (JoAnne) read in the Quad City Times that your Mom had passed. I am sorry for your loss and understand your sadness. I have great memories of you and your mother during those years. Thinking you and your family.*

“ Heather and family, I was very saddened to hear about your loss. I know Val was an amazing woman and was likely in large part one very important reason why Heather has always been such a great (bright, personable, accomplished, etc.) person as well. I know your family will help each other get through this... and I hope all of your great memories of Val will comfort you as you progress through this difficult time. Take care.

“ Years ago, I met your mother, she was working as an agent for some investing corp. I worked at the post office and I would see her almost daily. She always kept after me to invest, I finally did.. It was because of her that I still invest to this day..she was a very conscientious, caring person. I have thought of her often. I am sorry for your loss.

“ Heather - so sorry to read of your mother's death. I can still see her with a clipboard in her hand, telling us all where to be and when to be there during our dance recitals at St. Ambrose. She had a beautiful smile and was always so glamorous - her hair, make-up and clothing was always perfect, no matter how crazy things might have been! She was so proud of you - I'm sure she still is. My thoughts are with you during this difficult time. Kris (Cassidy) Tjaden
