“ *Dear Frankie. I want to send you my condolences to you of the loss of Valerie Reynolds. I remember back in 2008 when you told me you met such a beautiful woman. You were glowing and excited for me to meet her. I am so happy to have met her because she was such a humble woman. She was simple. Life had to be easy for her. Valerie always welcomed us and wanted to make sure everyone was taken care of. She had such a big heart. No matter who you were she accepted you and never questioned you. Her love for animals were unconditional. Valerie struggled with her health but she never gave up. She was a fighter and she kept her pain in silence. The reason for this was because she didnt want to burden or want anyone to worry about her. Valerie had pride and now God has taken her to a good place Heaven. She is not suffering and may Valerie Rest in Peace. Peace be with you.*
