“ *Maureen, I am very sorry to read of your Dad's passing. My sincere condolences are extended to the family. I hope this message finds it way to you. It has been years since we have written to each other. We were mainly primary school friends and start of high school (different schools). Take care Diana B.*

“ *I just returned home today from vacation with my son James and learned of Steve's passing. He was a truly wonderful man who left a lifelong impression on me. My love and sympathy goes out to Lily and family. It has been 30 years since we have been in contact and I think of the whole family all the time. To daughters Margaret, Shirley and of course Maureen, I send my love at this hard time. To Maureen and Gary and their two children, I also send my love and hope that you find the strength to carry on as the strength and kindness your father always showed. God Bless you all.*

Sympathy from my mom also, who always has spoke so well of your family. She sends her love.

So always think of the Love passed on to you from your Father and Im sure he will bring a smile to your face.
