“ *One of our families oldest and dearest friendships since childhood in Florida. Family picnics after church at Juno Beach, card games at each families homes. Aunt Ginnie hemming my husky boy pants while she bragged on Sherry in college, most of all her amazing macaroni salad which I cannot duplicate to this day! She and Uncle Ray can dance together again!*

“ I have such beautiful memories of her and I together many, many years ago. She was a kind, caring and wonderful friend. I know you will all miss her beyond words. But, I hope you get comfort from believing she and your Dad are finally together again dancing with the angels in heaven for all eternity. My deepest sympathies go out to you all.

Love and prayers are sent to you all,

“ My dear sweet friend, we are happy you are now at peace, and going up to meet your husband, Ray. We have so many happy memories of all of the times we shared together. Al and I followed you down to Florida, and you both made the transition so easy for us. When he and my son, Brian passed away, both of you took charge, and helped my family so much. We will always remember your love and caring at such a sad time. Rest in peace my friend, until we meet again. Love You
