“ *Walt was my godfather and he was a very special person in my life. I will always remember the special times we spent together, especially while I was growing up. He always was there for me as a godfather, always there on my birthday to make the day special. I remember the many times we spent tossing the football, his teaching me a drop kick (a lost art), his dedication as my pony league football coach, our playing whiffle ball home run derby at his house, watching the Red Sox, arguing politics or just spending time together. I'll miss his hearty laugh. He was always was generous with his time with me and with others. I'll miss him dearly. Ron*

“ During a recent visit to Hobe Sound we met Walter for the first time as he was a very close friend of my Uncle Al and my Aunt Marge. He and I had a lot in common and would talk about baseball history which we both loved. We are so blessed to have met Walter and will miss him very much. May God be with him all the time and hope he will look on to us now and then. We will always have him our prayers and I will always think of him during a sunny day at the ball field. You will be missed a lot Walter and we will meet again. Love Mike and Patty.
