“ *Greg and Jennifer, I'm so sorry to just now hear of your dad's passing, as well as your mother's. I worked with your dad in Service Planning and Engineering at Florida Power & Light Company in Macclenny years ago. Your father was such a delightful gentleman to work with, always pleasant and kind. And I remember your mother making homemade granola and sending it to share with us in the office. I always remember both of them with fondness.*
