“ *I know that it's been 8 years since Wendy's passing, I am saddened by this news!*

I met Wendy in 1982 we became fast Friends, which was not hard to do! Such a sweet , caring and beautiful person to her core!

Wendy became God Mother to my youngest Son Brad Kirby who is Now a Captain in the United States Marine Corps , I know that she would have been so Proud of Him!

When Wendy was thinking about being a Nurse , was thrilled for her, because she embodied with every fiber of her being of what a Nurse is!

My condolences to her family and friends!

Rest In Peace my friend!

“ My prayers are for all of her family and friends. Wendy was always cheerful when I saw at our home church or out shopping. She is healed in heaven singing praises to Jesus. I pray that all of you will draw closer to the Lord, He is your hope, comforter, protector, guide and very good there is. Wendy was a giving person, gave much to all of us. Now, she is giving glory to the one she serves and loves. Blessings and prayers,

“ Wendy and Sister Sue and I were roommates growing up in Jupiter. So many awesome memories. Wendy I will never forget you , you were part of my life growing up. we did crazy things together . I remember when we would eat tuna fish sandwiches and Fritos all the time . I remember when you lost your contact in the bathroom sink and I put my hand near the drain so it wouldn't go down as we were both laughing so hard. I remember when you and sister Sue and I all had to go and get a puppy. please god hold her tightly and take care of her as she is the most loving and caring person I ever knew . Love and miss you forever .

*In loving memory,
Josette*
