William Dallas Holland

June 21, 1973 - August 25, 2011

Resident of Palm Beach Gardens, Florida, passed away August 25, 2011. Will was born in Pine Bluff, Arkansas and spent his early years in Hanover, New Hampshire and Charlotte, North Carolina, graduating high school from Charlotte Country Day School. He received his undergraduate degree from Furman University in Greenville, S.C., and then was employed by United Dominion Industries in Charlotte and London prior to going to graduate school. After earning his MBA from Indiana University in Bloomington, Indiana, Will worked in the financial industry in Baltimore, New York, and Chicago before moving to Florida to help manage a family owned business.

Will was one of three children born to his loving parents, William R. and Donna Holland, residents of Jupiter, FL. Will is also survived by his sister, Kristen Palmer of Pinehurst, North Carolina and his brother John Holland and his wife Jennifer of Jupiter, FL. Will was very close and loved to spend time with his three nieces, Kelly and Kathryn Palmer of Pinehurst, NC and Madelyn Holland of Jupiter, FL and girlfriend, Jessica Lee Zahn.

Will touched the lives of many with his quick wit and sense of humor and, although he hadn't lived in New England for many years, remained an avid

Boston Red Sox fan, rarely missing a televised game. A Private Memorial service is planned for Friday, September 2 in Jupiter with arrangements made by Taylor & Modeen Funeral Home. The family requests that in lieu of flowers, all donations be sent to St. Jude Children's Research Hospital, 501 St Jude Place, Memphis, TN 38105, 800-822-6344, [donors@stjude.org](mailto:donors@stjude.org).

“ *Hello, I know it's been a year and close to a month now. Just so you know, I think of Will daily. Will came to our wedding in 1996 in Johnson City, TN. He left with the nickname "Will The Thrill" after dancing with a lady who said, "Will, ohh, the thrill". I loved him as much as anyone who knew him would. Except for how much more his family loved him.*

“ *Phi Alpha Brother. Words cannot express the feelings I have now. I will always remember you as a great friend in college and as a fraternity brother that always had my back. Through all the turmoil I had in college, Will was always a positive influence. Your willingness to always help me will not be forgotten. I'll wear my drinking jacket with pride from now on in memory of you. My hopes and prayers are with the Holland family.*

“ Will is a great guy. I met Will in business school and we had the pleasure of working together on some projects. We spent some time together and I remember his energy and passion. He was also excited to do something new and he was always supportive. I will miss Will.

“ I'm sorry I just found out about Will yesterday. I met Will in 1999 at Indiana University during business school. We immediately became great friends. We had the same sense of humor and loved the Red Sox. We saw each other at least every couple of days until he moved away from Chicago, I believe in 2004. Over the last couple of years, we still would at least touch base every couple of months or so. I consider Will my brother and love him dearly.

“ Will was such a great friend to so many of us at Furman. He had an infectious smile, a contagious laugh and a personality that was larger than life. Yet, at the same time, he was a very genuine and caring person. I have many fond memories of our time together, and will miss him dearly. My thoughts and prayers are with you for your loss of Will. I pray that you will be comforted and hope that you will find peace during this difficult time. God Bless.
