“ Shari, Bill, Joan, Butch, and Joan

There are no words that can take away the grief, ease the pain, or lift the sadness. As we grieve with you, know that we are here to help in any way possible; a hug, a shoulder, to share a memory, rather it makes us laugh or cry.

He was a dear friend to Frank and I. I sure will miss the "beep beep" of his arrival and the sound of laughter coming from the garage as he and Frank shared stories.

I pray that you will find peace in knowing Bill will always be with you, in your hearts and in your dreams.

“ *Shari and Family: On behalf of Palm Beach Gardens Fire Rescue, I would like to offer our condolences on the passing of Captain Bill. We are all feeling this great loss with much sadness. Firefighters are a unique group of people. When one falls, we all grieve together as one. Bill will not be forgotten as we remember the good/funny times a lot of us have shared with him over the years. Just know that your second family, the firefighters, stand with you in your time of need. May Bill Rest In Peace.*
