“ *Adam...I was very sad to hear of Billy's passing.*

I first remember seeing Billy as a nice, handsome young boy during our Jupiter/Tequesta Little League baseball years in the early 1990's (JTAA). At that time, Billy was sporting his natural talent and his trademark friendly smile – he always had a winning way about him, even back then. My last memories of Billy are seen at Tommy's wedding in Orlando, FL on November 7, 2009, which was also the eve of his 30th birthday (it was another good reason to celebrate). Billy was one of many people that day who helped make Tommy's wedding a fun place to be. Billy certainly had a special way to mix and joke and laugh with anyone, and he could always brighten-up any party. That night, I spent a lot of time with Billy, which I will never forget. Without a doubt, Billy was a very good brother and a valuable friend to all.

My deepest sympathy is given to you, your parents, your brothers, and the rest of your family. I will continue to pray for Billy, and for everyone.

Thank you so very much for taking the time to share your wonderful memories with Bill. It is comforting to read. I remember so well the JTAA days and your dad coaching and teaching the boys how to slide into base. Lighting a candle for Bill helps give me peace and has great significance to me.

Dear Lynn it is a very special symbolic Catholic ritual of lighting a candle in Billy's name. It means so much to me. Thank you for your kind words about my Billy. He was so very very special and a heart that was so big and giving. Love, Suzette his Mom

Anyone who knew my Billy loved him. God doesn't make people like that. The world lost a great man. Ask anyone who knew him and they will tell you that too. I love you Billy with every ounce of my being! Heaven is a greater place now because you are there. I can't wait to see you and hold you again. I love you honey. Mom
