“ I had the pleasure of working with Bill while I was the property manager of JDA,he was the best board president I ever worked with and he was a friend. I always knew where to find you on your front porch always waving to or talking to everyone who drove by. He was always there for anyone that had a concern. Bill, you will be greatly missed.

“ It's hard for me to imagine that I can't pick up the phone and hear Bill's wonderful voice. It always brought a smile to my face. Although I met Bill in a work capacity, we became friends over the past 11 years. He was an amazing man, friend, husband, father, and grandfather. He had a very soothing disposition and always made you feel like he cared about what you had to say. He was a very smart man with a great sense of humor. Anyone who knew him, loved him. He will truly be missed. Lynn, my sincere condolences. I send you lots of love and hugs.

“ To Bill's family,
Bill was my supervisor when he worked for Florida Drawbridge Company. I've been asking about Bill since he retired. I am sorry for your loss and I don't think I need to express to you what an extraordinary man he was. Bill was kind, empathetic, understanding and easy to talk to. I always looked forward to seeing Bill at work. I would like to express my sympathy to you. I know your fond memories will last forever, as will mine.
